¹ A final office action was mailed on April 17, 2007. However, the Office Action was prematurely made final for at least the reason that claims 49-51 were rejected on newly cited art and these claims were not previously amended by the Applicants. See MPEP 706.06(a). In a voicemail received by Applicants' representative on June 25, 2007 the Examiner stated that he had consulted with his supervisor, Zarni Maung, and agreed that the finality of the Office Action was improper. In a follow up call on July 18, 2007, the Examiner requested that Applicants make the reasons for withdrawal of record in a written response and indicated he would remove the finality of the Office Action upon receipt of the response. The response was submitted on August 16, 2007. Accordingly, Applicants submit that the supplemental Information Disclosure Statement should be considered by the Examiner.
